

Chattahoochee Christian School
Dress Code Policy
2024 - 2025

Dress Code Policy

Chattahoochee Christian School's dress code is intended to honor God and encourage modesty, dignity, and uniformity. Furthermore, a dress code allows the teacher to focus on academics without wasting valuable class time. All students will dress and be groomed in such a way as to reflect their desire to be Christ-like and bring honor to God. It is expected that students always maintain high standards through appropriate dress. All elements of the dress code should be honored inside the building upon student arrival at school and remain in effect until the end of the school day. Provisions and standards relating to the dress code should be respected by the students and parents and are enforceable by the staff anywhere on the campus (inside the building or on the grounds) at all times.

**A variety of uniform styles are available to fit the many student preferences, sizes, and shapes. However, not all styles will fit every student within the dress code guidelines. Selection of uniform items should be based on the fit meeting dress code guidelines and the student.

CCS will mandate the logo but not the provider, which means that parents can purchase uniforms wherever they choose as long as they are from the uniform section of the store/website. Suggested places are Amazon, Walmart, Target, Land's End, Children's Place, and or Old Navy. Look under the uniform selections.

A CCS Uniform Consists of:

When thinking about uniforms, think about the "Rule of Too," not too short, not too long, not too tight, not too loose.

I have read the dress code and have discussed it with my child. We understand that the dress code has to be self-enforced by all students and parents to be consistent with the uniform policy. We agree to acquire the necessary articles to abide by this dress code. Dress code violations will result in appropriate consequences. Parents will be called to bring the appropriate uniform in order for the student out of dress code to complete the school day. The administration reserves the right to determine the final standards on all fashion and or appearance trends.
