2025-2026 Dress Code Agreement

I have read the dress code and have discussed it with my child. We understand that the dress code has to be self-enforced by all students and parents to be consistent with the uniform policy. We agree to acquire the necessary articles to abide by this dress code. Dress code violations will result in appropriate consequences. Parents will be called to bring the appropriate uniform in order for the student out of dress code to complete the school day. The administration reserves the right to determine the final standards on all fashion and or appearance trends.
